My name is Bob. Each day I drive my kids to school. My daughter goes to a school that’s far from our house. Then I drive my son to his school. It’s close to my job. My daughter and my son are good students. My daughter usually sings her favorite songs while I drive. My son usually sleeps. I arrive at the office at 8:30 AM. I say good morning to all my workmates then I get a big cup of hot coffee. I turn on my computer and read my email. Some days I have a lot to read. Soon I need another cup of coffee.

My name is Angela. I’m 25 years old, and I live on my own in a town in the north of England. I work as an engineer, and I like my job very much. But I want to live in York with my boyfriend, David. York is a beautiful historic city, with many old buildings and narrow streets. It’s much nicer than my own town, which is modern and not at all interesting. My boyfriend, David, is a dentist. He’s happy to work in the centre of this small city. He can go shopping in his lunch hour. There are several museums in York and a large cathedral.

Answer the following question based on the text above:
Does Angela prefer the city of York or her own town?
